

# Carry On

Music & Lyrics | George Gad

## Verse 1

Trust yourself, trust your soul  
trust your mind, carry on  
But inside, keep this light  
that was mine. Now it's yours

## Chorus

I don't wanna hear no more  
My heart is bleeding  
I don't wanna go  
Sorry honey (you said), just carry on  
I don't wanna close door  
The ground is trembling  
I don't wanna fall  
Sorry honey (you said), just carry on

## Verse 2

Bittersweet memories  
of years gone by, remain so strong  
But you fade out, deep in my heart  
I feel so strange, deceived by love
