

# Fit in the Show

Music & Lyrics | George Gad

## Verse 1

Sometimes it's hard to fit in the show  
You got to help me feel alright  
Sometimes it's hard to sing in the show  
You got to help me learn to drive

## Chorus

I got to fit in the show  
Fit in the show  
Fit in the show  
(honey) Fit in the show

(Ladies and Gentleman would you please welcome the one and only....)

## Verse 2

Sometimes it's better watching the show  
You got to help me stand in line  
Sometimes it's better drink in the show  
I'm feeling dizzy, drunk and high
