

Craphole

Music & Lyrics | George Gad

Verse 1

It smells like shit around here
I just wanna go home

Chorus

I do admit it
I just can't kill it
From this craphole I wanna beat it
You don't believe me
I do believe it
From this craphole I wanna beat it

Verse 2

Dirty houses and dirty fists
All my neighbors are filthy beasts
Dirty money and dirty love
Easy coming easy go
