Growing Old

Music & Lyrics |George Gad

Verse 1
Time is running out on me
But I don't want to know
How my life is going to end
I think I am growing old

Bridge
Try to buy some time. I am never going to pay
Try to feel alive. It sounds and feels all right
Try to fall asleep. I think I am dreaming anyway
Time, Time's up

Chorus
Living for weekends, it makes me so sad
Darkness takes over my heart
Days of future, belong to the past
Confusion takes over my mind

Verse 2
Life seems so hard to me
Perhaps, I think too much
I feel some doors are closed for me
How long this going to last?
