

# The Day is Coming

Music & Lyrics | George Gad

## Verse 1

Lying on my bed  
Drink in a mess  
I hear the birds  
They sing for the day  
It's coming they say  
The night is gone again  
It took away all the pain

## Chorus

Please take the pain away

## Verse 2

I am so tired  
But they (the birds) give me hope  
The day is coming  
Please don't go away
